

# Give your wellbeing a boost with Calm

Find your way to less stress, better sleep and a happier, healthier you

You may have heard about or even used the Calm app. Now you have access to its most popular features and much more – available at no cost to you as part of your benefits. Calm can help you tackle stress, get a good night's sleep and feel more present in your life. You also can use it to build coping skills and resiliency to navigate life's uncertainties. It's all self-paced with audio and video tools, so you can focus on what matters most to you, wherever you are and at your own speed, 24/7.

## Relieve stress and anxiety

Explore practical tools, breathing exercises and quick courses designed to help you manage symptoms of stress and anxiety and settle them in the moment.

## Sleep better

Relax and fall asleep more easily with soothing sleep stories read by celebrities, meditations, natural sounds and exclusive music selections.

## Live more mindfully

Get daily mindfulness, wisdom and encouragement to quiet your mind, build healthy habits and nurture positivity with short, guided sessions and courses.
